Group vs 1-1 Sessions
Group vs 1-1 Sessions

In Handshake Virtual Career Fairs, employers can meet with students in two different ways: 1-1 and group sessions. Each experience is different, and employers may use one or both options on the day of the event.
Group Sessions

- Anyone can sign up, regardless of work authorization status
- Can include 50+ students
- If more than 15 students, microphone and webcam disabled.
- Can ask questions through chat
- May be invited to private interview
- 30 minutes each
- Cannot join after started
- Cannot join if full (register early)
- May include multiple time slots
- Employers and other students can see your public profile (*GPA hidden unless student sets it to public – then only visible to employers*)
- Must have profile privacy set to “Community”
1-1 Sessions

- Employers can set qualifications based on work authorization, degree type, GPA, etc.
- May include video interview
- 10 minutes
- May include multiple time slots
- Employers can see your public profile
- Must have profile privacy set to “Employers”
