JSOM Career Management Center Resources Guide

We offer several databases and online programs to assist you in your internship and job search. The following are resources provided by the UTD Career Center, the JSOM Career Management Center, and outside organizations to assist you with researching occupations, careers, employers and potential jobs. More information can be found at HireJSOM.com.

**InterviewStream**

InterviewStream is a simple-to-use program offering simulated interview scenarios to help you develop interviewing skills. To get started simply register for an account using your UTD email address.

**Beyond B-School**

JSOM students have exclusive access to Beyond B-School. Access the online video portal 24/7 and learn from leading business professionals and increase your competitiveness in today’s job market. Improve your resume, interviewing, networking, LinkedIn presence, and more. To access this resource, click on your corresponding link and get started today.

**Glassdoor**

Glassdoor provides an insider perspective into the hiring process. Users can research jobs and internships for national and international positions, research the pros and cons for working at select companies, and learn about the interview process, potential questions to expect, and salary information.

**Going Global**

Going Global career and employment resources include more than 10,000 pages of constantly updated content on such topics as job-search sources, work permit/visa regulations, resume-writing guidelines and examples, employment trends, salary ranges, networking groups, cultural/interviewing advice, and much more.

**Vault**

The insider career network for industry and employer information. Includes approximately 90 downloadable Vault Career Guides. Topics include interview and resume preparation, career topics, industry research and company information

**Eugene McDermott Library - JSOM Resources**

Employing the latest technology, the Libraries will manage and maintain access to the greatest number of resources relevant to the University’s teaching and research mission regardless of format.
