The University of Texas at Dallas
Naveen Jindal School of Management
Institute for Excellence in Corporate Governance

THE INSTITUTE FOR EXCELLENCE IN CORPORATE GOVERNANCE PRESENTS:
Are Money Managers Ruining Corporate Governance?
JANUARY 28, 2020

Large money managers own significant percentages of most publicly traded companies. What are the implications for new entries and competition? What effect does horizontal ownership have on these companies’ strategy and corporate governance?

Your institute provides thought leadership and this program will definitely be a provocative look at a cutting edge topic in corporate governance.
